All works will be Horseback.

The Rodear places a great deal of emphasis on the stockmanship of the handler and the quiet and controlled manner in which the dog maneuvers the cattle. The event is unique from other cow dog competitions in that the majority of the obstacles require both the dog and horse/rider to negotiate.

>Majority of Obstacles will require both the dog and horse/rider to negotiate and complete. >Quiet and controlled maneuvering of cattle is required. Contestants will be whistled out for excessive chasing or abusing of livestock and/or chasing cattle outside of the boundaries of the course >There will be ZERO TOLERANCE of any abusive treatment of dogs or horses at Rodear events. Would love to have sponsors for added money. Any money sponsored for added money will go 100% into the payout to handlers.

We are not going to have any awards unless we get sponsors. I want to put as much money back into the jackpot as possible

Looking forward to seeing you all and having lots of fun and camaraderie!
