## **General Information**

Date: May 4-5, 2019

Location:

Waco Bend Ranch, 842 Phillips Ranch Rd., Graham, TX 76450

The Rodear style of trialing places a great deal of emphasis on the sound stockmanship techniques of the handler and the quiet and controlled manner in which the dog maneuvers the cattle. It is unique from other cow dog competitions in that the course obstacles require both the dog and horse/rider to negotiate. While the philosophy of the Rodear is to have a minimum of rules governing the course, the following guidelines will be adhered to.

1. The objective is to complete the course while achieving the most points in the least amount of time.
2. In the event of a tie in scores, the faster time will be used to break the tie.
3. There are no restrictions on use of the horse/rider to assist dog in maneuvering cattle through the obstacle course.
4. The trial course is designed so it will require both the dog and horse/rider to negotiate obstacles.
5. Quiet and controlled maneuvering of cattle is required. Contestants will be whistled out for excessive chasing or abusing livestock and/or chasing cattle outside of the boundaries of the course.
