All works will be Horseback.

The Rodear places a great deal of emphasis on the stockmanship of the handler and the quiet and controlled manner in which the dog maneuvers the cattle. The event is unique from other cow dog competitions in that the majority of the obstacles require both the dog and horse/rider to negotiate. While the philosophy of the Rodear is to have a minimum of rules governing the course, the following will be enforced:

>The objective is to complete the course while achieving the most points in the least amount of time.

>In the event of a point tie, tie-breaker will be the quickest time, then sort time.

>No restrictions on use of the horse/rider to assist dog in maneuvering cattle through the obstacle course.

>Majority of Obstacles will require both the dog and horse/rider to negotiate and complete.

>Quiet and controlled maneuvering of cattle is required. Contestants will be whistled out for excessive chasing or abusing of livestock and/or chasing cattle outside of the boundaries of the course

>There will be ZERO TOLERANCE of any abusive treatment of dogs or horses at Rodear events.

Management reserves the right to disqualify any contestant for behavior deemed by Management to be inhumane.
